

WESTONING PARISH COUNCIL

Solar Farm Questionnaire

A planning application has now been submitted for the development of a large Solar Farm on land off Sampshill Road by Anesco. The application will be determined by Central Bedfordshire Council (CBC) Development Management Committee (DMC) on or after 12 July 2021.

Westoning Parish Council (WPC), as a statutory consultee, must submit its comments to CBC by 8th July. To assist the Parish Council in determining its response to this application we invite Westoning residents to complete the below questionnaire and return it to one of the collection points listed below by Friday 5th July at the latest.

No	Question	Yes	No
1	Are you in favour of increasing Britain's use of renewable energy?		
2	Would you like the application (CB/21/02583/FULL) for the Sampshill Solar Farm to be approved?		
3	Do you feel that the area to be covered by the proposed 162 acre Sampshill Solar Farm is too large?		
4	Are you concerned that wildlife and its habitat will be adversely affected by the Solar Farm development?		
5	Do you think that the proposed Solar Farm is an appropriate form of development on land designated as Green Belt?		
6	If the application, as submitted, is approved, is the proposed landscaping sufficient to protect the openness of the Green Belt and the visual character of the area?		

Name of respondent: (Please Print)

Address: Post Code: MK45 5

Once completed, the questionnaire can either be sent to WPC as hard copy or by scanning the questionnaire as a PDF and emailing it to WPC.Response@gmail.com
Hard copies can be returned to us by dropping your completed questionnaire through one of the following letterboxes:

13 The Pyghtle - 28 Highfields - 34A Church Road
