

- The club is a registered and accredited to the LTA. We received certification of safeguarding and standards, set out Nationally by the LTA in November 2022.
- We have 62 active members
- 32 are adult couple members, 14 are single adult players, 15 are family members and 1 is a junior.
- The surge of members we have during lockdown and the year after lockdown has diminished greatly with 60 members choosing not to renew membership.
- We struggle to attract new members, mainly because of the facilities and lack of floodlights allowing for all year play.
- In addition, we compete against clubs who have membership bases three to four size of Westoning; namely Toddington and Flitwick and Ampthill.
- Our membership packages have remained at the same cost: £15pa for a junior and £25 for a single adult - one of the cheapest in the County.
- The courts are made available for free to the Lower School every Friday afternoon.
- We plan to open the courts, for free for anybody at set times (tbc) during the summer season.
- The courts are not located in the best position but unfortunately, moving the courts to a more suitable, accessible and more pleasing location (for the neighbours overlooking the courts) is not financially viable.

Best wishes
Scott
